PURPOSE

The purpose of the Borough's Honoring Our Veterans Military Banner Program is:

- Honoring our military servicemen and women
- Pay tribute to our Veterans and deceased Veterans.
- Ensure that the aesthetic appeal of South Waverly's main thoroughfares is maintained.
- Promote the recognition of our military currently serving, veterans and deceased veterans.

ABOUT THE PROGRAM

South Waverly Borough, Honoring Our Veterans was discussed earlier this year, when we updated our Veteran's Memorial. The program was developed to recognize and honor individuals who do not live in the Borough but have family members that are Borough residents or business owners.

The banners are made of high durability vinyl and displayed around the Borough. Installation of the banners began in spring, 2017.

The cost of the banner will be \$125.00 and due with submission of the application.

You will be able to choose the location you wish to have your banner displayed.

What you will need to submit:

- Completed Application
- 8x10 photo or larger
- \$125 payment to the South Waverly Borough – Banner Program

Applications are Available at:
